

Photography

Instructor: Mallory Coombs

Grade: 8th-12th

Fees: \$30 monthly tuition fee plus \$10 copy fee/semester.

Requirements: DSLR camera

Course Description: This class is a beginner-level photography class. Students will learn the basics of lighting, camera settings, and overall how to take good photos. We will briefly study the history of photography and some well-known photographers. There will also be a unit on cellphone photography. Students will have weekly photo assignments based on the topics and rules discussed in class. Many of our assignments will be outdoors, so appropriate clothing for that day's weather will be required.
