Course Description:	<p>Crocheting is not just for little old ladies! Guys and gals are welcome in this class! We were created in the image of God, and as such, we all have in us a desire to be creative. Crocheting is an excellent way to create functional items, beat boredom, and relieve stress.</p> <p>Each student will work at their own pace, but I will expect students to practice at home, and to see clear growth and improvement throughout the year. In class, I will help teach new techniques, provide constructive feedback, and just provide a fun and relaxed atmosphere where students can find joy in learning this craft.</p>
