

Storytelling with STEM Activities

Instructor: Sara Fisher

Grade: K-2nd

Fees: \$35/month tuition **plus** a one-time \$20 per semester supply/materials fee

Course Description: Stories are powerful, bring a sense of community, and encourage imagination. In Storytelling with STEM activities, we will have a weekly read aloud, then create an activity to accompany the book. With each book, there will be a mini lesson that covers skills in reading, math, science, and/or engineering.
