**Grades:** 5 years old -5th Grade

**Fees:** \$35/month tuition, **plus** one-time \$10 copy fee

**Course Description:** This class is all about making a joyful noise to the Lord! We will move to music, sing to music, play through music. We will learn to sing as a group and play as a group. We will travel to different parts of the world as we sing their music and see how music is just another way to praise Jesus. Confidence and curiosity will grow because it will be FUN! We will participate in a spring concert to share what we have learned.
