

Yearbook/Journalism

Instructor: Mackenzie Unale

Grade: 8th-12th

Fees: \$35/month (no supply fee)

Requirements: Laptop or computer to complete homework & design the yearbook. Laptop in class on Tuesdays is preferable to be able to work on elements in class.

Course description:

Students will learn skills of composition, layout & design, and editing. They will work on record keeping, gain interview skills, and design a blog for fellow students and staff to enjoy and stay informed on events & activities available. The yearbook is a group effort. Students must work together, be creative, and be team players. Being a member of the yearbook staff is a privilege that carries with it great responsibility. At the end of the year, you will have created a piece of history valued by students and staff!
