**Course Description:** This class is a continuation of Phonics and Spelling 1. Using the Orton- Gillingham method, we will learn syllables, compound words, suffixes, vowel digraphs, ending sounds, and consonant blends.

In class, we will have fun spelling and reading with hands-on activities and games! We will begin writing sentences and cover a few grammar concepts. I plan on making copies using Carson Dellosa’s Interactive Notebook for Language Arts and Word Study, so each student will need a composition notebook. At the end of the year, everyone will take home a notebook full of phonics concepts they have learned!

**Here is a breakdown of what is covered in each workbook:**

Book 4 - Compound words, endings, syllable division, open and closed syllables

Book 5 - Ed endings, all, alk, old, ind words, qu words, thr, spr, and spl, and ey words

Book 6 - Er, or, ar, ir, ur words, igh, oo, ea, ie, oi, oy, ou, ow, au, and aw sounds and diphthongs.
