

Oklahoma History – 1 Semester FALL class

Instructor: Jen Toney

Grades: 9th-12th

Text: **Not required for student to purchase.** *The Oklahomans, The Story of Oklahoma and It's People, by John J. Dwyer*

Fees: \$30/month tuition, plus \$20 one-time supply/copy fee

Course Description:

I will project any book work onto the wall for all to see so that the purchase of a textbook will not be necessary. I will be working to get several speakers to share their particular insights into the history of our state, as well as where we are today. We will also be watching some videos. This class will be taught through a Christian worldview. My heart is to get the class excited about history and the importance of being involved in our communities.
