**Course Description:** This is a 16- module course covering all the systems of the body.

**Instructor Background:** Hello! I am a married homeschooling mom of 3. We are in our 12<sup>th</sup> year of homeschooling and have graduated two wonderful daughters. I am also a registered nurse and continue to maintain my license. I am a Christian who loves to study and marvel at the handiwork of our creator in the complexity of the human body. As a teacher I hope to instill respect and awe for God's creation in all of my students. "For you created my inmost being; you knit me together in my mother's womb. I praise you because I am fearfully and wonderfully made, I know that full well." Psalm 139:13-14
