### **Course Description:**

IEW has been created for all learning types. My goal is “CONFIDENCE” AND “SUCCESS”. I will guide them through the writing process to achieve this.

There is built-in grammar and students have the option to memorize poetry. The literature components are also optional if you and your child would like to complete them at home at your own pace. They will use the IEW method, easy +1, to write short compositions. Homework may take 60-90 minutes weekly. We will finish units 1-5 in writing I. In writing II we will complete units 6-8. Grammar I, The Nose Tree, can be additional proficiency if your child is ready to tackle both courses.
