

Constitutional Literacy (Elective credit – Full Year Course)

Instructor: Marti Coombs

Grade: 9th -12th

Fees: \$30 Monthly Tuition plus one-time \$5 copy fee

Text: *Constitutional Literacy Workbook to the 25-part DVD series*; Publisher Apologia; ISBN #978-1-940110-29-5

Course Description: Dr. Michael Farris “brings the Constitution to life” in this high school level course. We will study how the Founding Fathers formed the Constitution by the authority of the people and look at some of the documents that influenced them at that time. Each class period we will watch a short portion of the accompanying DVD series and have discussions over that material and assigned homework from the workbook. Workbook homework will be assigned weekly and is crucial to class participation.
